B - Project Information

1. Project Type*

Select the project type for which grant funds are requested. If you are unsure of which type to select, please refer to the definition beneath each project type. If the incorrect project type is selected for the proposed scope of work, the application will be declared ineligible.

Development Projects

Development activities with the mission of Preservation, Restoration, Rehabilitation or Reconstruction of historic properties regularly open to the public, and site-specific planning required for these activities such as structural or condition assessment reports. Activities for historic cemeteries shall be limited to work on stabilizing, cleaning and repairing historic gravemarkers and other funerary items, repairing historic fences or structures within the cemetery, and installing minimal security lighting. Activities on religious properties are limited to building exterior envelope and structural elements of the building, excluding accessibility upgrades.

Archaeological Research Projects

Archaeological research projects including: research and field investigations tied to large area surveys or excavation, analysis and publication of findings.

Museum Exhibit Projects

Museum exhibit projects for Florida history museums, including: research of exhibit content, exhibit design, fabrication and installation. Exhibits must be permanently affixed to the building. Organizations must be a governmental or non-profit Florida history museum established permanently in Florida, promoting and encouraging knowledge and appreciation of Florida history through the collection, presentation, exhibition, and interpretation of artifacts and other historical items related to Florida. The mission of the museum must relate directly to the history of Florida.

o Acquisition Projects

Acquisition of a single historic property or archaeological site, or group of such, in which all the resources have the same owner. For archaeological sites, an exception to the single owner provision may be made if the archaeological site extends on land that is contiguous, but owned by different property owners.

2. Project Title and Location Information*

The title should reflect the name of the property, site, area, museum or exhibit, and the goals of the proposed project. The title should be consistent with previous applications/awards. (For example, Smith House Rehabilitation, South Mill Archaeological Excavation, etc.)
